

EndeavourCat 44 Specifications and Options

CONSTRUCTION

Hull, deck and structural bulkheads manufactured of biaxial fiberglass with isophthalic/vinylester resins, and *Nida Core* (polypropylene honeycomb core), vacuum bagged
Uniglass for critical reinforcement
Hull to deck fastened chemically and mechanically
Five year limited structural/blister warranty
Epoxy/Barrier bottom paint

SAILS AND SAIL HANDLING EQUIPMENT

Tri-stay rig, stainless steel standing rigging
Full battened dacron mainsail with *Strong* sail track system, *Lazy Jacks* and boom bag
Self tacking jib with *Camber Spar*
All lines lead to cockpit
Colored coded running rigging
(2) Electric winches
Boom Brake
Rigid boom vang
Sheet stoppers

MECHANICAL, ELECTRICAL & PLUMBING

120 gal. water capacity
115 gal. fuel capacity
(2) Holding tanks (50 gal. & 30 gal. each) with level indicators
(3) 210 amp house system *Lifeline* batteries
110 volt shore power system
Premier Plus A/C - D/C electrical panel
(2) 30 amp shore power cords
40 amp smart battery charger
3000 watt inverter and transfer switch
Navigational and anchor lights
20 lb. propane bottle in separate vented locker
Remote shut off for propane
Deck mounted fuel and water fills and holding tank pump-out access
12 volt hot and cold pressure water system
11 gal. water heater-engine exchange/110 volt
12 volt interior lighting
(2) 12 volt automatic bilge pumps
Non-corrosive *Marelon* thru hulls and seacocks
(2) 12 volt macerators for holding tank pump-out
AM/FM Stereo with four speakers and remote
6 disk CD changer
Hot and cold deck shower
Fresh water washdown at bow & stern
Dockside fresh water regulator

HELM STATION AND DECK

Navigation helm station with hydraulic steering
Adjustable deluxe helm & first mats seats
6" binnacle compass
12 volt control panel at helm
Dual station VHF with DCS, hailer, and foghorn
Raymarine Radar/Chartplotter/FishFinder w/ *Raystar* GPS sensor and 12" color monitor
Raymarine ST6002 hydraulic autopilot
Raymarine depth transducer

Stainless steel railings with double lifelines
Molded PVC rub rail w/ stainless steel striker
Bow corner rail seats
Stainless steel anchor roller and cleat
Stainless steel bow, stern and amidships cleats
Lifelines at stern with gates
Self-draining foredeck storage lockers
(6) Deck storage lockers
(2) Telescoping transom boarding ladders
Side boarding ladder
Molded non-skin on all deck surfaces
Flood light for aft deck
Molded fiberglass hardtop with soft windshield, arch support and (2) stainless steel hatches
Full cockpit enclosure w/ screens & sun shades
Cockpit lighting
(2) 12 volt cockpit fans
Cockpit table
Cockpit, foredeck and bow seat cushions
Remote searchlight
12 volt windlass, 1200# w/ reversing option and chain locker
Dock pack (6 lines and 4 fenders)
Ground tackle (55# anchor, 200 ft HT 5/16 chain, s/s anchor swivel)
Safety pack (Fire X, flair kit, PDFs, air horn, first aid kit, *Lifesling*, boat hook and whistle)

INTERIOR
